POWER PACK

A power pack is a dedicated power source for any application where more hydraulic horse-power is desirable. Z Makina manufactures a wide range of hydraulic power units depending on the variety of applications in soil improvement. The compatible hydraulic system, with variable speed control, provides infinite speed and pump settings for maximum recovery and efficiency.

Z Makina manufactures multipurpose power packs for flexible operations or proper designed for specific projects as well.

Applications:

- Extractors
- Vibro hammers
- Stop-end with water stop equipped with hydraulic jacks
- Closed loop hydraulic circuits for CFA, DSM, FDP, Vibro Floating, Stone Column
- In Marine Decks Products
- Special Projects
- Power tong
